

Being an Open Access Books/Journals we do not receive payment for subscription as the journals/books are freely accessible over the internet. It costs money to produce a peer-reviewed, edited, and formatted article that is ready for online publication, and to host it on a server that is freely accessible without barriers around the clock. We ask that - as a small part of requirement cost of doing the research-the author, institution pay a modest fee to help cover the actual cost of the essential final step of the publication. Costs as follows

Processing Charge:

Journals: 2500 INR / 110 USD per article

Books: 10000 INR/- for 100 designed pages and 50 INR for every additional pages  
300 USD/- for 100 designed pages and 35 USD for every additional pages

If author wants hard copy of Journal, they required to pay extra charges, which purely depends on page count.

Above fees includes all review, publication, indexing and certificates there are no any other hidden extra charges.
